Own this year's Mammoth Lakes Jazz Jubilee Souvenir poster (framed and unframed), taken at last year's finale by photographer Bonnie Colgan. She continues her jazz theme of hands on the instrument. The colorful image features Stuart Dennis, leader and keyboard artist of the lively High Street Performers from Boise, Idaho. Choose from either the white or the black background versions.

Stuart and Bonnie will hold poster-singing sessions at her booth located at Tom's Woods, Saturday night at 9:30PM and Sunday from 10-noon, unless otherwise posted. The posters and photo blank note cards will be available for purchase at her booth throughout the Jubilee and at her gallery inside A Crafty Place.

501 Old Mammoth Road (adjacent to Vons)  
or at her booth located at Tom's Woods.

**Going, Going... (only a few left of the International Award winning 2002 Poster) plus 2003!!!**

Featuring the bass and playing of Jay Mueller of Bill Allred's Classic Jazz Band.

Featuring Bob Draga on Clarinet; Bobby Pickwood on trumpet & Jim Haislip on the trombone.

## Welcome!

We're glad you are here. Why did you come? We hope it is because of the great band lineup, beautiful scenery, and the super people involved with our Jubilee. It has been fun building a wonderful work force of over 500 volunteers who are recognized on the circuit as the top crew of any festival anywhere. They are very friendly, knowledgeable, and are there to have a good time, and to help you have a great time. It's been fun going from trying to get six bands to come to an unknown event, to over 400 bands from all over the world applying to play here each year.

We try to bring you something new each year. This year is no different from any other. We do have several new things to call to your attention: The Thursday noon BBQ lunch at the Mammoth Museum featuring Ryan's Raiders; our first youth band (other than Jazz Campers) made up of many graduates from our youth jazz camp, now 19-22 years old—the Barkin' Dawgs; and a free gondola ride. We believe we may be one of the few, if not the only Jazz Jubilee, to have a gondola ride to/from a parking area to across the street from a main venue. We wish to thank Mammoth Mountain Ski Area for providing this unique experience to our jazz patrons. A new feature will be a second Friday night Mardi Gras party at the Holler. If you felt too crowded at Tom's Woods, you'll get a second spot to parade with your parasol. The same three bands will be performing at each venue. Check the program for the times.

Finally, the "Extra Jazz after Dark" experience at the Big Top is returning for its second year. Only \$10 to hear extra music after the finale. Grumpy's still has their "Good-bye" to the 16th Jubilee party Sunday night—also \$10.

It's been fun watching the smiles of our patrons enjoying the beautiful sounds from our bands, the area, and the people involved.

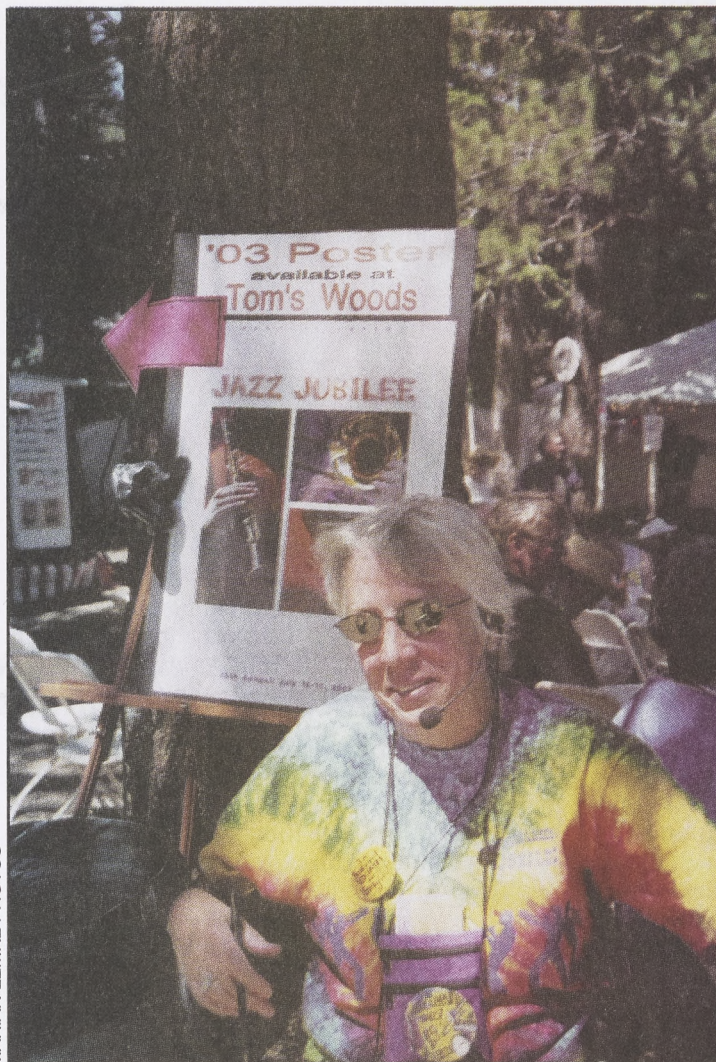

We feel that's the secret to 16 years of success: FUN! Thanks for coming, and keep smiling.

# SueZQ Designs for Jubilee and Raffle

Mammoth Lakes Jazz Jubilee cofounders Ken and Flossie Coulter are proud to announce that this year's badge and artwork are that of budding local artist, Susie

Magit of SUZQ Designs and Magit Productions. While a resident of Mammoth Lakes for over 20 years and an art major in college, graphic artist, Susie, recently restarted her career in the past four years after a 20 year hiatus. "I am very honored to be a part of this Mammoth institution, the 16th Annual Mammoth Lakes Jazz Jubilee, and look forward to seeing my artwork displayed," said Susie.

The Coulters are pleased to feature a local artist in conjunction with the Jazz Jubilee. In addition, this year Susie Magit has taken her design and created an original one of a kind painting on canvas and has donated it to Jazz Jubilee to be raffled off to one lucky winner. The painting can be viewed and will be on display at Gallerie Barjur in the Village at Mammoth prior the Jazz Jubilee.

# What's New for the 16th Annual Jazz Jubilee?

Hot jazz in the cool Sierra is here again with the 16th annual Mammoth Lakes Jazz Jubilee. As always, four music-filled and party-packed days of fun are on tap for the thousands who travel from far and wide to meet, greet, listen, dance, drink and gobble-up all that this huge festival has to offer.

Each year, the Jazz Jubilee expands a little and this year is no different. Twenty-plus bands, 10 venues, and a schedule that is full of performances, special events and more are what will make this year's Jubilee the biggest and perhaps best, yet.

So just what's new at this year's Jubilee? Read on for details.

- A new Jazz Jubilee poster by local photographer Bonnie Colgan featuring the hand and instrument of one of your favorite musicians! Guess who?

- A newly designed Jazzy T-shirt for the famous Jazzy T-shirt Raffle. James Michael Miller created the Jazz Jubilee logo, which is shown off on the front of the shirt. The back of the shirt was designed by SueZQ.

- Lighted jewelry returns to the amazing list of souvenirs available at this year's Jubilee. Do you have your lighted ice cube yet?

- Two bands have been added since the 2004 brochure was printed. Barkin' Dawg Jazz Band and Susie Hansen Latin Jazz Band. Try to catch each newcomer. Many other three, four and five piece groups have been formed, from the bands already coming to the Jubilee, for your listening pleasure. Some of these bands only perform once, so watch out for their performances.

The free Gondola ride to/from Canyon Lodge Parking Lot, which is up Canyon Boulevard. Turn right at the light above Whiskey Creek Tent—lots of space to leave your vehicle and take the 4 1/2 minute ride to the Village. There is another free parking area across the street from the Chart House on Old Mammoth Road.

Brady McKay will be a guest singer and sit in with several bands throughout the weekend.

## Free & Easy Parking

### Take a ride on the new Gondola!

Free parking is available just a short 4-1/2 minute Gondola ride away from The Village and the main Jazz Jubilee sites.

For the first time in 16 years, plenty of free convenient parking will be available at the Canyon Lodge parking lot, the new "Park and Ride" lot on Old Mammoth Rd., and at Mammoth High School's lot.

To drive to Canyon Lodge take Canyon Blvd. or Lakeview Blvd. (See map on pages 26 and 27).

The Village Gondola base station is located on Canyon Blvd. and Minaret Rd., across from the Tom's Woods site in The Village. Many thanks to Mammoth Mountain's generous donation of free parking and free Gondola rides for all Jubilee attendees.

The operating hours are:

- Thursday, 7/15: 2-4 p.m. and 7:30-10:45 p.m.
- Friday, 7/16: 11 a.m.-1:30 p.m. and 6-11:30 p.m.
- Saturday, 7/17: 8-10:30 a.m. and 6-11:30 p.m.
- Sunday, 7/18: 8-10:30 a.m. and 4-6:15 p.m.

### Shuttle Bus Service

Shuttle Bus Service is also available. Look for the "Jazz Bus" and extra buses provided by Inyo-Mono Transit.

## What a Celebration!

Fine music, fine friends, fine food, and a fine cigar:

**WRONG!**

A "Fine" Cigar...

- \* Is equivalent to smoking three to eight cigarettes
- \* Leads to 5-fold increase in the risk of dying from mouth and throat cancer
- \* Puts out more second-hand smoke than 3 cigarettes

So why don't I FEEL enormously successful and popular?

**TOBACCO... IS TOBACCO...  
IS TOBACCO!**

There is nothing "Fine" about it!

# Dedications

## Lance Gardenhire

This year's 16th Annual Jazz Jubilee is dedicated to Lance Gardenhire, a 19 year old former Mammoth Lakes Jazz Jubilee Jazz Camper, who this past March, died of cancer. This talented trombone player left many a sad heart in those who, over the years, heard him play. His family asked that in lieu of flowers that money be donated to certain organizations—one of which is the Mammoth Lakes Jazz Camp. So far, \$1,775 has been donated. Many thanks to you all for your generosity. This money will help future campers.

## Karen Ahles

Dedication of the Jubilee is also to Karen Ahles, who died this past June. Many years ago, Karen helped start our first band hospitality area. When her life became too hectic, due to children's schedules, her "mum" Esther took over. She will be missed by many musicians who will remember her ready smile and the good food service she and her crew provided.

# Jazzy T-Shirt Raffle

One of the most popular souvenirs at the 2004 Mammoth Lakes Jazz Jubilee will be a Jazzy T-shirt designed by Susie "SueZQ" Magit. The T-shirt is colorful and stylish, plus it's your ticket in to a fabulous raffle and your chance to win one of hundreds of great prizes.

Here's how it works: Buy a Jazzy T-shirt, fill out the attached entry card and enter it into the raffle. Buy two, and your chances increase. Every shirt is individually numbered to represent the purchaser's chance in the raffle.

As usual, the Jazzy T-shirt went on sale in early June at various local businesses.

Come the festival's final hours, each entrant (whether a previous winner or not) will be placed into "the hat" for the many prizes still available. Top prizes will include a 27" TV stereo system, an original art work of the Jazzy T-Shirt design by SueZQ, and a special hotel stay at Circus Circus in Reno in a spa suite!

If you are a lucky winner of any of the many wonderful items being raffled, you can find "Prize Pick-up" at the back of Tom's Woods site.

You can't win if you don't play, so be sure to buy your Jazzy T-shirt at Tom's Woods T-shirt booth. Fill in the attached entry card and hand it to the Jubilee volunteers in the booth.

Even if your number is not called for the grand prize, there are many other great prizes to be won and, of course, a beautiful Jazzy T-shirt will commemorate the event. Best of all, profits from the Jazzy T-shirt raffle go directly back into next year's Jazz Jubilee fund, so join in the fun!

*Please note: Winners need not be present to win!*

Our first "Jazzy T" was printed for our fifth Jubilee in 1993. Do you have all of them? Buy one today to add to your collection.

# Beaucoup des Banjos!

There are three separate special events featuring banjos at this year's Mammoth Lakes Jazz Jubilee. The Banjo Brunch was the first of the breed, and features individual banjo and guitar players, representing the many bands performing here at the Jubilee. They play at least two at a time for 25 minutes a set.

The popularity of the Banjo Brunch led to the inauguration (a few years later) of Banjos and Cocktails, Guitars, Too! Again, banjo players from the Jubilee are paired together (or in threes) to play in 25-minute sets. The most recent addition to the banjo bonanza is "Blazing Banjos" with the fast fingers of Gary Ryan, Eddie Erickson and Bill Dendle as a trio—you just have to discover this one for yourself! This will be an hour-long set.

## Drink Responsibly... You're at 8,000 Feet Above Sea Level

While reveling in the wonderful music here at the Mammoth Lakes Jazz Jubilee, remember to "Think Before You Drink!" This is the High Sierra and the elevation of this festival is about 8,000 feet above sea level.

For those of you unfamiliar with such altitude, take it easy! You and your body will react to alcohol differently.

Consuming two beers at a high altitude will affect you more than at sea level. Drink plenty of water to avoid excessive dehydration, and should you become unable to drive, take advantage of the free shuttle bus. Please limit your bar purchases to two drinks a trip.

If you live outside the shuttle route, contact a site manager, who will find you a ride home.

Safety always comes first!

Also, should minors approach you to buy them alcohol, please refrain from doing so, and report the incident to a Jubilee official. —MLJJ

## Seventh Annual Musical Instrument Petting Zoo

**Saturday, July 17, 9:30 a.m., The Holler**

When the Petting Zoo was introduced to the Mammoth Lakes Jazz Jubilee seven years ago, no one really knew how big a hit it would be! You see, many festival-goers have never even touched a musical instrument, much less played one. At the Musical Instrument Petting Zoo, folks can do both!

Kids, adults, musicians and non-musicians all tried their hand at the many instruments available with avid enthusiasm. We hear some people take up their favorite instrument. The instructors sure get a kick out of it, too.

This year, we are holding the Instrument Petting Zoo on Saturday, July 17 at the Holler. Petting hours begin at 9:30 a.m., so stop by and hold, blow, beat or simply pet these musical instruments. Mouthpieces and reeds will be sanitized after each use.

Jazz camp students and musicians participating in the Jazz Jubilee will be there to teach you how to hold and pucker. All ages are welcome to the petting zoo, and feel free to ask questions or ask for demonstrations from our young campers.

This event is free; however, there will be a donation jar to benefit the jazz camp. —MLJJ

# Survival Guide

## FIRST AID

The first aid station will be set up near Tom's Woods on Minaret Road. If you need help, notify any site manager (wearing red vests) and he or she will radio the nurses and paramedics on duty. The paramedics van will be in and out of this area. Call 911 for all other emergencies in Mammoth Lakes.

## FOR YOUR INFORMATION

HAVE A GREAT TIME AND PLEASE COOPERATE WITH THE FOLLOWING GUIDELINES, WHICH WILL HELP MAKE THE JUBILEE MORE ENJOYABLE FOR ALL!

## NO SMOKING

Because we are in a high fire-danger area, there is no smoking at any site except in the designated areas; look for the signs. Please use the buckets for your "butts." Note to our visitors from out of state: ALL California bars and restaurants are non-smoking.

## BE CAREFUL CROSSING STREETS

Use crosswalks where painted. Be aware that Minaret Road by Tom's Woods, is very busy—try to stay inside the walking lane. Also, the sites for the Big Top, Ocean Harvest Restaurant and Grumpy's are situated on both sides of Old Mammoth Road. Be very careful when crossing in those areas. Be very cautious as cars and drivers are not used to a lot of foot traffic in that area.

Another area to use caution is the Holler. There are no streetlights between the Church site and the Holler so be careful when walking there. You may want to bring a flashlight for evening walking.

## NO SEAT SAVING

Not even with your seat cushion! Please help us with this constant problem! We want to provide chairs for as many people as we can. If you come into a site early (when they are not officially open), and leave your cushion on a seat and then leave the site, your cushion will be removed from that seat and taken to the lost and found! Also, once you are in a site to stay, please DO NOT save a seat for someone who is not there. After the performance has begun, site personnel have been instructed to seat all people without seats. If one location is filled to capacity, please try the other sites. Be aware that most indoor venues have limited seating. (It's OK to leave your seat if you go to the bathroom or if you want to buy food or drink! Tell your "neighbor" so your seat will not be given away).

## LOST AND FOUND

...will be located in the main ticket booth at Tom's Woods and at the badge sales booth near the Big Top, behind the Sierra Nevada Rodeway Inn. \*Check the area around your seat before you leave so you don't forget anything.

## RECYCLE CANS & BOTTLES

...in the marked trash containers. Proceeds will go to local high school students.

## PARASOLS & UMBRELLA

Please be aware of the direction and sight-blockage it is taking. Also, please use caution and be careful not to poke anyone;

MARIAN LEMKE PHOTO

Two of our "Chippies" – Cay Lepre and Natalie Sanders.

these do hurt when they accidentally come in contact with people!

## VCR RECORDERS

...will be allowed in designated areas only—this is at the discretion of the bandleaders. Elaborate tape recorders are not allowed. Small, hand-held audio-recorders are permitted.

## DANCING

Dancing on designated dance floors will be at the following sites: RV Park, Holler, Tom's Woods, Big Top, Whiskey Creek, Whiskey Creek Tent, Church, and Grumpy's Tent. Special black-and-white floors at Tom's Woods, Holler and Big Top sites are for children to dance. Please don't dance in front of the audience; everyone wants to hear and see the bands. Even though the spirit may move you please do not dance on the wood chips or bare dirt; it kicks up a lot of dust and is hard on the musicians, as well as others.

## SSHH!

Please hold it down! If you must talk and socialize, please go to an "outer area" of the venue so you don't disturb people who are trying to listen.

## RESTROOMS AT EACH VENUE

Look for signs or ask site personnel for locations. Handicapped toilets are at Grumpy's, Big Top, and Whiskey Creek Tent.

## NEW THIS YEAR! FREE GONDOLA RIDE

A fun, free Gondola ride from a large, free parking lot area located at the base of Canyon Lodge at the top of Canyon Boulevard to "The Village." "The Village" is the new area located across the street from Tom's Woods.

The hours the gondola will operate are as follows: Thurs. 7/15 from 2-4 p.m. and again from 7:30-10:45 p.m. Friday 7/16 Please see page 23

## **SURVIVAL** from page 22

from 11 a.m.-1:30 p.m. & 6-11:30 p.m., Saturday hours are 8-10:30 a.m. & 6-11:30 p.m., while on Sunday it will operate from 8-10:30 a.m. and again from 4-6:15 p.m. Please take note it will not operate all hours of all days. There is plenty of time to get you to the event so you can hear some great music. It takes only four minutes each way, so you can go back to your vehicle to pickup a jacket so that you don't have to carry it around all day. For you late night owls who stay up and watch the last shows at Whiskey Creek & Ocean Harvest, you'll have to move your car closer to those locations before the last gondola ride at 11:30 p.m. Parking should have cleared out some by then. Other parking areas will require "common sense." It will be limited in some locations of town, so please use the free shuttle, walk, or ride a bike. If you must drive, check the following areas for limited off-street parking: the lot across the street from The Chart House on Old Mammoth Road, the Community Center lot on Forest Trail, Mammoth High School lot behind Grumpy's, and the lot across from the Village-off of Berner Street. Please do not block parking spots designated for band members or our hardworking crew. Always follow the directions given by volunteers and signs. The Jazz Jubilee free shuttle bus will service the Mammoth High School parking lot as well as the RV Park, Main Street & Minaret Roads. Please see the map in this program to find location and approximate pickup times.

*The Mammoth Lakes Jazz Jubilee is fun for all ages!*

### **MORE SHUTTLES THIS YEAR!**

7 a.m. to 8 p.m. free town shuttle provided by Inyo-Mono Transit. This is in addition to the Jubilee bus.

### **ALCOHOLIC BEVERAGE POLICY**

Any beverage you purchase at one of our food/drink booths may be taken out of that outdoor site, transported down the street, and taken into another outdoor site. Please note that California law DOES NOT ALLOW ANY OPEN CONTAINERS OF ALCOHOL IN CARS. The Jubilee's special alcoholic transport law is only for walking from venue to venue, not driving, and only applies to beverages purchased at one of our OUTDOOR SITES. This beverage law is on a yearly trial basis with the ABC. Please help us with this so we may continue this policy in the future instead of the "Drink it or Dump it" rule. Thank you for your cooperation. Remember that this applies to our outdoor venues only. Please do not take beverages in or out of Petra's Cafe, Whiskey Creek Restaurant, Ocean Harvest Restaurant, or Hennessy's site.

**SORRY—STILL NO COOLERS, THERMOSES OR "OUTSIDE ALCOHOL" ALLOWED IN ANY VENUE.**

### **WOODEN DOLLARS**

They will be used as payment for food and drinks at outdoor sites only. The exceptions: The Sunday night programs at the Big Top & Grumpy's Tent. The "Good-bye 2004 Jubilee" party at Grumpy's is sponsored by Grumpy's and WILL ONLY TAKE CASH. Be sure to spend your wooden dollars prior to 5:30 p.m. Sunday evening! You can save them for next year or donate them back to the Jazz Camp kids by putting them in the containers by the exits. (No refunds).

#### **MOST INDOOR SITES**

...will accept cash/credit card only, with exception of the RV Park—wooden dollars are accepted there. At the entrance to Tom's Woods and by the Big Top Tent, at the Badge Sales Booth, you may purchase wooden dollars with a cash or credit card (minimum \$20 purchase with credit card). All other outdoor sites will take only cash or checks for the purchase of wooden dollars. If paying by cash or check, there is no minimum: you can buy from \$1 up. Also, look for Mammoth Lakes Jazz Jubilee chippies selling wooden dollars at Tom's Woods.

### **MOST OF ALL ENJOY!**

This has been a community effort from the beginning, so please patronize our food booths (most are run by local, non-profit organizations), and souvenir tables, as well as our town's restaurants and shops. We have some great small town eateries. Be sure to pick up the local dining guide.

**\*DO HAVE A GOOD TIME, AND WE HOPE TO SEE YOU NEXT YEAR, JULY 13-17, 2005!**

*Lots of trees, lots of tents, lots of food, and lots of fun for all!*

## Local Businesses Serve Up Hot Jazz

In addition to the tented venues at the 16th annual Mammoth Lakes Jazz Jubilee, there are several indoor venues featuring a variety of entertainment.

Most of these indoor venues are restaurants and popular bars. And again we are including the RV Park facility as an indoor site. Seating is limited at most of the indoor venues.

The following is a list of indoor venues featuring the music and fun of this year's Jazz Jubilee:

- **The RV Park:** This venue is located one block east of McDonald's on State Highway 203, on the right as you are heading back towards US 395. This site has over 200 seats and a great dance floor! Wooden Dollars are accepted here! The only indoor site to take them. A special Wednesday night show will start at 8 p.m. and run until 10:30 p.m. Jeff & Anne Barnhart along with Danny Coots will perform "From Ragtime to Broadway." There will be an extra \$10 donation accepted.

- **Whiskey Creek (Upstairs):** Located at the heart of the Jubilee at the corner of Minaret and Main, Whiskey Creek will feature a variety of bands on their always-festive stage located inside and upstairs this popular restaurant.

- **Ocean Harvest:** The downstairs of this fashionable restaurant will feature a variety of events, including the popular Pianorama Friday and Saturday. This site has over 120 seats.

- **Petra's:** Also located in the Jubilee hub in front of the Alpenhof Lodge, this local hot spot will feature the always-popular Banjos and Cocktails (Guitars, too) affair (no-host) late Saturday afternoon from 4-6 p.m. Wine/Beer/Food.

- **Hennessey's:** Hennessey's is located in the Village at Mammoth. The Banjo Brunch will be held here on Saturday, July 17 from 8:30 to 11 a.m. Hennessey's is across the street from Tom's Woods, right near the loading area for the Gondola to Canyon Lodge. There are no facilities open at Canyon Lodge.

Many of these indoor locations are fairly small, and seating may be limited. Arrive early so you don't get turned away at the door. Remember also, your "All-Jubilee" badge does not guarantee you a seat at any event. If a site is full, please ask a site manager to check and see which sites are not full.

Please note that indoor venues accept only cash or credit cards for purchases. Wooden dollars are good at outdoor sites only, and the RV Park. —MLJJ

## Music Society of the Eastern Sierra

The Music Society of the Eastern Sierra works, encourages, sponsors and stimulates active participation in the performance of music. The Society has given the Mammoth Unified School District music programs, invaluable support.

The organization contributes to the Jazz Jubilee Jazz Camp, a week-long program for young musicians interested in learning to play jazz. Their donations allow local students to participate in this popular camp.

Music Society members lend a hand at the Jazz Jubilee by working as information assistants at Tom's Woods. If you don't see a red-aproned information guide (with the big white question mark on the front of the apron), stop by the Music Society table and they will assist you.

The Music Society also contributes to other local events and organizations such as the Sierra Summer Festival, Mono County Arts Council, and the Community Chorus ("Messiah"). Additional contributions are given to school bands and choruses. These contributions help cover costs for instruments, accompanists and band T-shirts, as well as provide financial assistance for students to attend festivals and contests. They also provide scholarships for promising high-school seniors who have proven their interest in the music field. —MLJJ

# Special Needs

Each year, we make every effort to meet our guests' needs, including those of the physically challenged.

Look for handicapped-equipped toilets at the Big Top complex, RV Park, Whiskey Creek parking lot, and Grumpy's Tent. Three of these sites have paved surfaces, and there is a ramp and wooden floor at the RV Park site.

Please be aware that Tom's Woods, Church and Holler sites do have wood chips surfaces, which may make walking more difficult for some handicapped guests, and especially difficult for those in wheelchairs and those with canes.

A limited amount of handicapped parking spots will be provided at the Big Top complex in the parking lot behind Ocean Harvest and across the street from Tom's Woods along the wall.

For all you weary guests, check out a very special feature at Tom's Woods—a massage chair with a professional masseuse! Stop in for a quick back-rub or foot massage. Be sure to sign up for this 10-minute treat.

As for those on bicycles, look for bike racks at many of the sites. Be sure to bring your own locking devices. —MLJJ

## Friday Night Mardi Gras Madness or Manners?

New this year—two locations to have Mardi Gras Fun on Friday night—Tom's Woods and The Holler. Masks and beads will be for sale at each location. Join in the fun and catch the Mardi Gras spirit.

Please have a fun Mardi Gras time, but respect the rights of others who may not be as active or involved as you are. Remember to be careful with the direction you place your parasol or umbrella. The view from many seats at both Tom's Woods and The Holler become "blocked" when people stand/dance/or jump around in front of the stage.

In order to accommodate all Mardi Gras enthusiasts, we would like your help with the following:

1. For the first 50 minutes of each hour set, "second line" paraders and partiers may move anywhere in the site so long as you DO NOT STOP in front of the stage.

2. It is okay to stop off to the sides of the stage, but it is NOT OKAY to party in front of the stage where you block vision for those seated there.

3. Exception—for the last 10 minutes of each set—approximately 8:20 to 8:30 p.m., 9:35 to 9:45 p.m. and 10:50-11 p.m. in Tom's Woods, and 7:20-7:30 p.m., 8:35-8:45 p.m., and 9:50-10 p.m. in The Holler; it will be okay to get in front of the stage. However, ABSOLUTELY no one other than paid performers is allowed on the stage at anytime!

4. To those who are seated, we hope you enjoyed the first 50 minutes and understand the last 10 minutes of each set.

5. Remember the first rows of chairs in Tom's Woods are on a relatively level surface, so if you want to see the stage for the whole show, you may wish to take a seat farther back in the site, or get up and party, too!

Masks and beads will be for sale at both locations. Be prepared to have some fun and get into the Mardi Gras spirit.

We are trying to make Mardi Gras fun for one and all. Thanks for your understanding and cooperation!

## Count Basie Tribute

In August 2004, Count Basie would have been 100 years old. Happy Birthday Count!

Count Basie—The man who made more music with less notes than any other pianist in history.

Count Basie—Pianist, composer and icon of Big Band Jazz. Known for such classics as "Jumping At The Woodside," "Cherokee," and "Good Morning Blues."

Count Basie—Band leader who could inspire his players to jump and swing hard for 60 years.

Count Basie—The man of charm and dry humor.

Count Basie—For those of us who really like to swing, you are sorely missed; but your music lives on.

The Mammoth Lakes Jazz Jubilee's Host Band, Temple of Folly, welcomes everyone to it's 16th annual celebration of jazz music! These guys are really good! Add the vocals of the great Yve Evans, plus Brady McKay for a couple of sets, and you have a super show. This band has been together for about 10 years, and they even know each other by first name, and you probably do, too. They are here to swing for you, and the gals will wow you with their voices and charm.

Temple of Folly remains the host band of this Jubilee for the reasons Elliott and Thelma Thompson started the Jubilee way back in 1989. Elliott just wanted a great place to play. He sure got that!

Look for some hard-swinging jazz and some George Shearing sounds!

They have enjoyed a great deal of success playing a wide variety of music in many different venues. They have a very progressive style focusing primarily on performing jazz.

## Barkin' Dawg

### LODI, CALIFORNIA

 Katie Waters ..... Tenor, Saxophone  
 Priscilla Ornelas ..... Tuba  
 Grady Gardenhire ..... Trombone  
 Jon Raman ..... Drums  
 Amy Dahlstrom ..... Piano  
 Jeff Waters ..... Clarinet  
 Andrew Slater ..... Banjo

Bob Romans put this group of talented young musicians together in 1996. Over the years there have been some personnel changes because of members going off to college, but several of the current members are part of the original "Dawgs." They have performed at the Fresno Mardi Gras Festival, Sonoma County Dixieland Festival, Dixieland Monterey, and the Sacramento Jazz Jubilee. Over the last several years, many of these players have attended the Mammoth Lakes Jazz Camp. They are here for the first time to show you that young musicians know how to play jazz.

This first appearance should be a happy occasion, but their Saturday set at Whiskey Creek Tent will be a reminder of how fragile our time on earth is. Lance Gardenhire, a former member of the band, died this past March at age 19. The Barkin' Dawgs asked to dedicate this set to him. We hope some of the current Jazz Campers and the Professors feel free to sit in. Lance loved the Mammoth Jazz Camp experience, and loved the area. His family asked that any money collected be donated to the Mammoth Lakes Jazz Camp. So far, almost \$1,800 has been collected, and for this we thank you. We would like to start a Lance Gardenhire scholarship for future Mammoth campers.

You are guaranteed to see and hear a great variety of shows featuring all types of jazz—from a little bit of Bessie Smith to a touch of Brazil. Look for them to be playing on the east coast, but this is one of the few, if not the only place to see and hear this band on the west coast. Let's welcome back Beth and the boys.

Just for the fun of it they went to a few jazz festivals. That was over 10 years and many albums ago! Now they enjoy worldwide acclaim as one of the most versatile bands in the business.

With a varied collection of music from the 1920s to present day, Bill Allred's Classic Jazz plays big band, little band, traditional, Dixie, swing and straight ahead, with great arrangements from Matty Matlock to Doc Severinson. There is no denying it, this is an awesome swinging band!

The Blue Street Jazz Band has been a major force on the Dixieland jazz circuit for a number of years. In fact, last year they celebrated their 20th anniversary!

Founded in 1983 by trumpet player Forrest Helmick and currently under the leadership of trombonist Dave Ruffner, the band is one of the most innovative groups in traditional jazz.

Original songs and creatively conceived arrangements have been the hallmark of the band, along with musical expertise displayed by each individual member.

The band showcases the singing of the "Siren of the San Joaquin"—Ms. Sherri Colby, who has been singing with the band since she was 13 years old.

The Blue Street Jazz Band earned a reputation as the "Bad Boys of Dixieland" for their eclectic tastes in music. They have more than a dozen top-selling albums, and too-many-to-count live performances around the globe behind them.

Known for their fast-paced, energetic and fun-filled performances, Blue Street will get you off your feet and onto the dance floor before you get your first libation. Bob Finch ..... Leader, Bass  
 John Hall ..... Drums  
 Danny House ..... Tenor Sax, Clarinet  
 Dave Ryan ..... Trombone  
 Donny Clark ..... Trumpet  
 Marty Harris ..... Piano  
 Polly Podewell ..... Vocals

Chicago Six is as much a tradition here in Mammoth as the Jazz Jubilee itself, and they are recognized as one of the most popular returning bands. Lots of unfamiliar names make up this group of musicians. Seems several of them took other gigs because we changed the dates and they didn't mark them down.

The band hails from Cardiff, a town just north of San Diego. A swinging group of musicians, Chicago Six has been around for more than 20 years. They first started playing as a pickup band to fill in on Friday nights with Dixie-style music at the Belly-Up Tavern.

Their distinctive style has its roots in Chicago jazz, which, when they're really cooking, has made them one of the country's most respected bands. Many of the talented members are veterans of some of the best-known jazz organizations in the country, including Stan Kenton, Woody Herman, Muggsy Spanier, Bobby Hackett, Les Brown, Lawrence Welk and Tex Beneke.

Again this year, vocalist Polly Podewell, who sang with Woody Herman and Benny Goodman, joins Chicago Six. Please enjoy this new sound for this popular band. Welcome the "almost" Chicago 6.

## Cornet Chop Suey

Tom Tucker ..... Co-Leader, Trumpet  
Paul Reid ..... Piano  
Jimmy Haislip ..... Trombone  
Al Sherman ..... Bass  
John Gillick ..... Drums  
Jerry Epperson ..... Clarinet, Baritone Sax

The seven multi-talented musicians of Cornet Chop Suey will give you an exciting Traditional jazz and Swing show every time! And they do so with gusto and enthusiasm.

Formed in 1997 by co-leaders Brian "Big B" Casserly and Tom Tucker, the band is excited to make their second appearance here at the Mammoth Lakes Jazz Jubilee.

Named after a popular Louis Armstrong tune, Cornet Chop Suey has at least a century of songs in their repertoire—from the rags and Dixie of the early 1900s to contemporary jump, jazz and swing.

Their two recordings, "Cornet Chop Suey—Live" and "Cornet Marmalade" were produced the old fashioned way: in a single evening in front of a live audience. The band wanted to capture the feel of 1950s-era jazz festival recordings and did so with much success.

Cornet Chop Suey features a high-energy front line and a powerful rhythm section. These members and supporters of the St. Louis Jazz Club are local favorites who keep you coming back for more!

Back for their second appearance at the Mammoth Lakes Jazz Jubilee, High Street is a show band that has both aesthetic appeal and solid musicianship. As one of the northwest's most entertaining bands, High Street has a repertoire that includes cover songs and original tunes in a mixture of Swing, Jazz, Latin and Blues.

This ten-member group has performed at Walt Disney World, the Boise River Festival, the Bite of Portland and recently on a Norwegian Cruise Lines cruise. They have also opened for Huey Lewis and the News and were the showcase band for the International Festivals and Events Association. A flute at a Jazz Jubilee, a Jazz Concert, or a Jazz Festival? UGH! Wrong! When Anne and her flute join husband Jeff at the piano, sparks fly. Talk about talented; this couple will dazzle you with music and mirth in a truly exceptional show. Hope you'll love them as much as we do. Try not to miss their only appearance at this year's Jubilee.

They can produce sophisticated sounds, ragtime tunes like you've never heard before, and have a good time doing it.

**George Tidwell** ..... Cornet/Flugelhorn

Mr. Jack Daniel's Original Silver Cornet Band. It's amazing what a bottle of whiskey and a youth's cornet can lead to. It could have led to a bent horn, but instead it led to this wonderful band playing silver instruments. Yes, that's this band you see on stage wearing late 1800-early 1900 style outfits. They play as if they were still in the town gazebo in the center of the town park, playing those wonderful tunes from that era. However, when their leader Marcus Arnold gets that Tennessee drawl going, and the band with those shiny instruments starts playing, you think you are there, too. Don't miss their special set "Rhapsody in Silver" with clarinetist Bob Draga; he's the one playing the shiny black instrument with gold keys. Be sure to check out the video of their last live performance of "Rhapsody in Silver" here at Tom's Woods, in Mammoth. It's truly worth the money.

## JAS'M

**CONNECTICUT AND CALIFORNIA**

**Jeff Barnhart** ..... Piano  
**Anne Barnhart** ..... Flute  
**Sherri Colby** ..... Vocals  
**Matt Bottel** ..... Banjo, Guitar

The name "JAS'M" comes from the first letter of the first names of the performers—Jeff and Anne Barnhart, Sherri Colby and Matt Bottel.

These two married couples made their debut at this event several years ago. They planned the tunes for their first sets together while camping in nearby Yosemite.

Sherri and Matt have since moved from California to Virginia so she can continue her education. Being closer to Connecticut maybe they've had time to work on some "new stuff!"

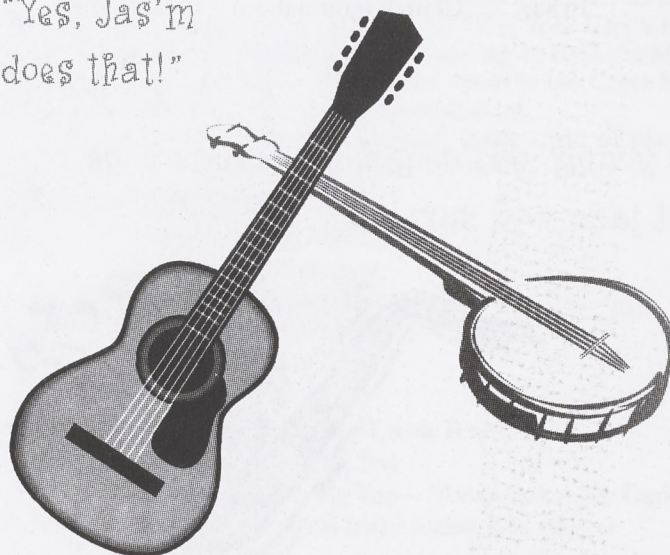

They are four very special performers who should not be missed!

Only one show is planned for this year. Try to make it.

**MAMMOTH LAKES, CALIFORNIA, AND BEYOND...**

Many local-area students as well as youth from as far away as Arizona, Idaho, Oregon and Utah are participating in the 10th annual Mammoth Lakes Jazz Camp, July 11-18. The week-long camp will culminate in several Jazz Camp Youth Band performances followed by a graduation ceremony on the final day of the 2004 Jazz Jubilee.

The jazz workshop gives them hands-on experience and training with some of the Jubilee's top professionals.

These 13-17 year olds really learn how to strut their stuff. Make sure you catch these talented youth at least once. You will be pleasantly surprised.

We happily welcome back the Kim Richmond/Bob Florence Ensemble, featuring Larry Koonse. This will be the band's third time here at the Mammoth Lakes Jazz Jubilee.

Dick and Larry are veterans of the Jubilee, both having performed here with the Phil Norman Band. Heralded pianist, and Grammy Award winner, Bob Florence is always a festival favorite. Dick has also been here with Beachfront Property, and Larry is the son of Dave Koonse, who plays guitar with the Jubilee's host band, Temple of Folly. They play swinging, modern Jazz. ## Kinda Dixie Jazz Band

**LAS VEGAS, NEVADA**

**Jim Fitzgerald** ..... Leader, Trombone, Vocals  
**Steve Johnson** ..... Reeds, Vocals  
**Dan Ellis** ..... Piano, Vocals  
**Ty Lemley** ..... Bass, Guitar, Vocals  
**Paul Testa** ..... Drums  
**Edward Sherry** ..... Trumpet

When the music of old New Orleans meets up with the spirit of "old" Las Vegas, a lot of folks find the result kinda irresistible.

The Kinda Dixie Jazz Band plays its namesake music authentically enough to travel to Dixieland jazz festivals, but the group would admit that its heritage lies not on Bourbon Street but in Las Vegas lounges.

Leader and trombonist Jim Fitzgerald believes the success of the band lies in the fact that it isn't just traditional Dixieland but has evolved to a lot more four-part vocals and standards arranged for groups such as the Four Freshman and the Ink Spots.

The six-piece band has more than 350 arrangements in its songbook and ample opportunity to play them. For almost 20 years, they have been the house band at the locals-oriented Gold Coast Hotel and Casino on West Flamingo Road in Las Vegas. Be sure to stop in to see them Monday-Friday afternoons in the lounge.

Mammoth is kinda excited as it welcomes Kinda Dixie back to its Jazz Jubilee. A big jazz welcome to Christopher Ellis, son of Dan and Vicki Ellis—another budding musician!

**Paul Midiri** ..... Vibraphone, Trombone  
**Dan Tobias** ..... Trumpet, Cornet  
**Pat Mercuri** ..... Guitar  
**Jim Lawlor** ..... Drums  
**Gary Cattley** ..... Bass

This is the second time in Mammoth Lakes for the Midiri Brothers. The brothers are leaders of various small group jazz ensembles and also lead a 16-piece big band orchestra. Their arrangements feature authentic yet creative performances of the music of Benny Goodman, Lionel Hampton, Artie Shaw, Red Norvo and many others. You'll love to watch and hear Paul play the "Vibes."

Straight out of New Jersey, these talented musicians also perform their own special arrangements in the tradition of the Swing and Dixie eras, all under the direction of clarinetist Joe Midiri.

Recordings include "Live! At Bridgewater," "Avalon," and "Finger Bustin" all of which are featured as part of regular programming of nationally syndicated radio programs and worldwide on web broadcasts.

Since 1990, the Midiri Brothers have made the rounds of the East Coast's premier venues, including New York City's Rainbow Room and Philadelphia's Penn's Landing. In 2002, the Midiri Brothers Sextet made their West Coast debut at the Costa Mesa Classic Jazz Festival and became an official hit.

Be sure to check out this spirited, jazzy team of players. They'll surely be a hit here again in Mammoth!

Jazz festival veterans, The Night Blooming Jazzmen, return to Mammoth with fresh-sounding jazz and entertaining styles. Those familiar with this wonderfully funny band may have seen them at the Sacramento Dixieland Jubilee, where they first played in 1975 as an ad hoc band representing the influential Southern California Club, the Society for the Preservation of Dixieland Jazz. Not only was this band asked to return the following year, it has been performing at the Sacramento festival ever since.

The band's style ranges from traditional to early swing, with side trips into Sousa marches and gospel music. Leader Chet has a reputation as a very funny, deadpan emcee, and the whole band gets in on the hilarious and spontaneous shenanigans.

You'll hear vocals you've probably never heard before, and listen to lots of humor in between the outstanding playing. They will wow you over and over again. This will be the eighth appearance of a creatively formed band called "The Professors." Made up entirely of teachers from the annual Mammoth Lakes Jazz Jubilee Camp, "The Professors" is led by camp administrator Bill Dendle.

"In the past, camp instructors hailed from various bands. It made scheduling very difficult, because the Jubilee's youth band is made up of camp participants," Jubilee Co-Director Ken Coulter explained. "A few years ago, we decided instructors could not be in a separate band, so we formed a new one."

The success of "The Professors" was instantaneous. We feel great about putting this group together!

Mammoth Lakes Jazz Jubilee is one of the few festivals where you can see this group.

Notice they will not be playing as a group on Sunday, so try to catch a sedt or two Thursday through Saturday. You will not be disappointed.

With so much talent and experience, they will surely bring the house down again this year!

Tom Hook ..... Leader, Piano, Vocals  
 Matt Perrine ..... Bass  
 Ed Metz, Jr. .... Drums  
 David Jones ..... Cornet  
 Pat Gulotta ..... Trombone  
 Bobby Durham .... Guitar

Tom Hook and his Black Dogs are back. This hot gang of musicians is sure to bring the house down, the tent down, or wherever they are playing down.

Formed in Orlando in 1989, The Black Dogs were originally composed of staff musicians at Walt Disney World. Soon after, they took the Traditional Jazz world by storm by infusing contemporary rhythms and sounds into classic New Orleans Jazz. It really changed the face of the Trad world forever.

Always in pursuit of the original goal, Tom and his Dogs pointed their energies into American pop music and crested the wave of "Jump Swing" long before the current crop of swingsters.

The Dogs have also made a point of playing the finest New Orleans-style rhythm and blues across the globe, which they have toured extensively.

During their travels, the Black Dogs have headlined jazz festivals all around the country. Here at the Mammoth Lakes Jazz Jubilee, they have come in a variety of forms; last year as Les Chiens Noir, previously as the Terrier Brothers. But they always are a festival favorite—always the life of the party!

Don't miss this crew of dynamic musicians who swing hard, rock steady, and drive everyone out of their seats and onto the dance floor. Their presence will surely be felt at the Good-bye 2004 party at Grumpy's Tent on Sunday night. This special extra event is sponsored by Grumpy's! To get in, there is a \$10 cover for everyone, except those with 2004 ribbons on their 2004 badges.

# Jazz Jubilee Camp, 10 Years and Counting

One of the best ways to keep jazz alive is to keep young musicians swinging. Here at the Mammoth Lakes Jazz Jubilee, we attempt to do so by offering a week-long camp devoted to teenagers and to jazz. This July, the annual Mammoth Lakes Jazz Jubilee Camp celebrates its tenth year.

Currently underway for students in junior high school and high school (ages 13-17), the camp began July 11 and runs through July 18. It is a unique opportunity for young musicians who want to learn the elements of jazz, and who wish to perform at a major jazz event.

The camp is not for learning how to play an instrument; it's for learning how to play jazz! Professional musicians and educators are providing the students with playing experience, not just classroom experience. To top it off, this jazz camp gives young musicians an opportunity to perform throughout the Mammoth Lakes Jazz Jubilee. Look for them as the Jazz Camp Youth Band on the schedule.

Emphasis in the camp is on improvisation, instrumental technique, harmony and scales, creating jazz solos, improvising ensemble parts, and learning to play from music and by ear. Several different jazz styles are entertained at the camp.

Bill Dendle of the former South Market Street Band is the camp administrator. Several other world class instructors will join Dendle in the experience, including Rusty Stiers, Jim Buchmann, "Fast Eddie" Erickson, "Westy" Westenhofer, Ed Metz Jr., Bob Phillips and Shelley Burns.

In addition to performances by the jazz camp students, be sure to catch all the Mammoth Lakes Jazz Camp instructors performing here as "The Professors." Check the schedule for time and locations.

In past years, the camp has drawn students from all over the state, as well as from Utah, Arizona and Idaho. They are all anxious to perform for you at this year's Mammoth Lakes Jazz Jubilee, so check out at least one of their sets.

These kids will amaze and delight you! Don't forget to catch a set or two of the Barkin' Dawgs—many are former camp graduates.

## Jubilee Sends Students to Jazz Camp

Each year, the Mammoth Lakes Jazz Jubilee donates money to send local students to jazz camp.

Part of the funding is made possible by a jacket raffle held at each Jubilee. "Racy," one of our souvenir vendors at Tom's Woods, donates a jacket each year, for which we sell raffle tickets at \$1 each.

Be sure to purchase at least one raffle ticket and contribute to this worthwhile scholarship fund. Who knows, you may even win a snazzy new jacket!

Tickets will be sold at a table in the back of Tom's Woods—the Jazzy T-shirt raffle prize "pick-up" table.

## Our Philosophy

### Still jazzing after 16 years...

"Any real jazz festival can't be simply a collection of concerts. It must be a thing unto itself, an entity beyond the individual performances, beyond the individual programs, and greater than the sum of these.

The point of a festival is to be festive. To give and receive joy and to present a wide diversity of styles and types of music in as festive and pleasant a surrounding as possible.

To be successful as a festival, the grounds, the concerts, the musicians, the patrons, and the atmosphere all have to jell together to be something more than one can find elsewhere.

This is what has happened in Mammoth Lakes.

A jazz festival should be the best possible combination of enjoyment one can devise. Organization and improvisation, lyricism, strength, euphoria and the blues, individuals and groups, the scream, the cry and the whisper: It should all be there for you.

A festival, like music, is to be experienced. It is interesting, but not essential, to know things about music and about the musicians. The music is enough by itself; so is the setting; and so, too, are the people there.

All together, these make up one of the best things about being here, even if it only happens once a year."

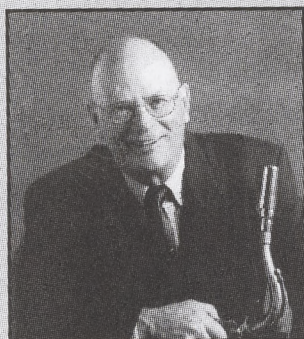

[Adapted from "Why a Jazz Festival-Festival?" by Ralph Gleason].

Please enjoy your mountain musical experience – we call it, "Jazz with Altitude!"

## More Thanks...

We wish to thank the following for their support of the Mammoth Lakes Jazz Jubilee. The Jubilee is supported in part with funds from many sponsors. This year we were fortunate enough to have added two more after the printing of the brochure. We would like to thank Verizon and the Old Mammoth Road Starbucks Coffee store for coming onboard. We are very grateful for your participation in this 16th Jubilee. (Mammoth Lakes Jazz Jubilee is 501-C3 Nonprofit Organization).

## Terry Myers and the Mammoth Lakes Big Band

### EVERYWHERE USA

Terry brings some wonderful charts from his home state of Florida for our fabulous musicians to sight read. No time for rehearsals, so what you hear has to be good the first time through, and it is! This group will change often throughout the time allotted so you will get to hear and see many different combinations of vocalists and players. We are very proud of what these guys and gals can do! Sit back and relax, close your eyes, whether remaining in your chair or while you are dancing, and try to remember what you were doing when. Enjoy some of the very best at what they do.

## Souvenirs

# Take Home Music or a Video from Mammoth

Over the years, the Mammoth Lakes Jazz Jubilee has produced CDs and videos in cooperation with GOAL Productions and the University of Southern California's School of Cinema-Television.

These CDs and videos are on sale in the souvenir tent at Tom's Woods; proceeds help support the annual Mammoth Lakes Jazz Camp, hosted by the Jubilee. Your support helps keep jazz in the system, and introduces more great music to up and coming players!

Here is a list of some of what's available:

## CDs:

(\$15 each)

Mammoth 2001: Ballads & Things... 17 songs recorded live at Ocean Harvest, featuring mostly piano from Pianorama, plus Barnhart, Draga and Coots.

Mammoth 2000: 2000 Pianos, 2 Guitars and 1 Clarinet... Featuring tunes from the Jubilee's piano players, Dave and Larry Koonse and Bob Draga.

Mammoth 99: Big Band and Little Band... 18 tunes featuring Terry Myers & the Mammoth Lakes All Star Big Band and the Phil Norman Tentet.

Mammoth 98: A Little Bit Trad and a Little More Modern... 14 songs from 13 bands.

Friends joining in include Bob Draga and Bill Allred's Classic Jazz Band. Only 25 copies available this year. "It's a must have."

Mammoth 98: 10 Years Old and Still Going Strong... 13 great songs from the 10th annual Jubilee.

Nine from the Ninth... Musical highlights from the 1997 festival.

The Bill Allred Classic Jazz Band... Taped live at the 1997 Jubilee.

The Black Dogs Mardi Gras Music... Taped live at Mammoth in 1996.

The Draga/Vax Connection... Taped live at Mammoth in 1996.

## T-Shirts, Wineglasses, Band Souvenirs, and More

Tom's Woods will feature a large souvenir tent where you can buy videos, tapes, CDs and even old records of all your favorites, as well as other souvenirs, such as T-shirts (including this year's Jazzy-T),

hats, pins, mugs, wineglasses with the Jubilee inscription and specially labeled wine from Mirassou Vineyards.

Also available are Mammoth Lakes Jazz Jubilee golf shirts, sweatshirts, long sleeve Henleys, long & short sleeved polo shirts, Mardi Gras beads and masks, umbrellas, postcards, ponchos, lighted jewelry, lighted ice cubes, and much more.

Individual bands will be selling their own CDs, tapes and souvenirs when they play at each site. But if you miss picking something up then, come by the souvenir tent at Tom's Woods to take home a piece of the 16th annual Mammoth Lakes Jazz Jubilee.

## Get Signed Souvenir Poster

Again this year, we are selling special souvenir posters designed for this, the 16th annual Jubilee. At Tom's Woods you can get the poster signed by the photographer Bonnie Colgan.

If you don't already have the first two in the series, there should be some there for you to purchase.

This year's poster features the hand of Stuart Dennis from High Street Jazz Band. The band won't be in town until Saturday afternoon, but Stuart has agreed to make time and come in to sign some posters. What a great souvenir!
